

UVA Center for ASPIRE “Creating a Culture of Safety” IP PSQI Program: HRSA ANE Grant D09HP26942

Activity Exemplar	EXPERT SPEAKER SESSION: Interprofessional Care for Veterans with Multiple Chronic Conditions	Total Time: 90 minutes
Instructor	Malcolm Cox MD; Member: Global Forum on Innovation in Health Professions Education of the Institute of Medicine, the National Leadership Board of the Veterans Health Administration, the National Advisory Committee of the Robert Wood Johnson Clinical Scholars Program, the National Board of Medical Examiners, and the Accreditation Council for Graduate Medical Education. Chair, Institute of Medicine Committee on Measuring the Impact of Interprofessional Education on Collaborative Practice and Patient Outcomes, and Chair, Macy Foundation Conference “Transforming Patient Care: Aligning Interprofessional Education with Clinical Practice Redesign.	
Learning Objectives	<ul style="list-style-type: none"> ▪ Identify the special needs of veterans with Multiple Chronic Conditions ▪ Describe the VA approach to team training ▪ Discuss the April 2015 IOM report on the Impact of IPE 	
Planning Notes	<ul style="list-style-type: none"> ▪ Arrange for Dr. Cox to be the speaker for Medical Grand Rounds ▪ Develop informational announcement emails for Medical Grand Rounds featuring Dr. Cox ▪ Personally invite other interested clinicians, faculty and students from Schools across UVA ▪ Set up Q & A and discussion for DNP students with Dr. Cox in ASPIRE Center conference room ▪ Distribute evaluations 	
Session Materials	<ul style="list-style-type: none"> ▪ Announcements ▪ Evaluation forms 	
Student Comments	<p><i>“Dr. Cox has a wealth of experience and knowledge to share about the complex care of veterans.”</i></p> <p><i>“It is great to know that such a distinguished individual is dedicated to team-based practice.”</i></p> <p><i>“His work in measuring the impact of IPE on patient outcomes is important to keeping the momentum for team-based care going.”</i></p>	
Lessons Learned	<ul style="list-style-type: none"> ▪ Have speaker present at venue open to faculty/students/clinicians/public in addition to or instead of Medical Grand Rounds so that surgeons and other wider audience will attend ▪ Provide more time for interacting with IP groups of students and residents
